A NOTE from BRENDA ROERTY

THANK-YOU, Ladies!!

We served 499 meals the last night of the 2018 fish dinners – our newest new high! And over the six weeks we served a total of 2,531 meals. Also another record! (Last year we served 2,212 meals.) And what is most amazing is that we never ran out of desserts!

Many volunteers that worked in the kitchen, dining room, ticket table, etc. are too many to mention by name, but you know who you are! And as I've said many times before, without all of you it could not happen.

Words alone cannot express my appreciation to all of you for making this year's fish dinners such a success! I am so grateful for all of you! And I want to especially thank Pat Fischer for being my partner for the last few years. Working with you, Pat, has been a joy, and we will all miss you.

A NOTE from PAT FISCHER

I want to thank everyone one of my "guild sisters" for all the love and support you have shown to Vince and I. It was not an easy decision to pick up roots and to move again. We are looking forward to being close to one of our sons and his family but it makes me sad to leave this family behind. If you ever get into NC and are close our door is always open.

Our new address is
289 Farmington Rd.
Grimesland, NC 27837.

Again thank you and God bless each and everyone of you.

Pat Fischer
